PUBLIC HEARING DATE

Pursuant to the requirements of Government Code § 11346.8(c), and Title 1 of the California Code of Regulations § 44, the State Board of Forestry and Fire Protection (Board) is providing notice of changes made to proposed regulations listed below which were the subject of a regulatory hearing on February 2, 2011. These changes are being proposed in response to comments received during the period of December 10, 2010 to January 24, 2011. **The Board will hold a public hearing to consider adoption of final rule language. The public hearing is to be held 8:00 a.m. on Wednesday March 2, 2011, at the Resources Building Auditorium, 1st Floor, 1416 Ninth Street, Sacramento, California.**

MODIFICATIONS TO TEXT OF PROPOSED REGULATION

The Board is providing notice of changes made to the proposed regulations publicly noticed for a 45 Day review on December 10, 2011, affecting the above listed regulatory sections. The amendments to the originally notice regulation strike the text which would have allow timber operations on any "holidays not observed by the State of California". The proposed change would allow timber

operations on Columbus Day, providing an exception to the prohibition on operations on all nationally designated holidays. The 15 day notice text was included by the Board because it 1) is the original request received in a petition from the Central Coast Forest Association; 2) avoids unintended consequences related to allowing operations much further into the winter season and thereby affecting the effectiveness of erosion control; and 3) reduces potential public health and safety conflicts between recreation use and log hauling on roads used during other nationally designated holidays.

A non-sustentative edit is made to the Initial Statement of Reasons published on December 10, 2010 .The name of the petitioner is corrected to state: Central Coast Forest Association.

At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed action described in this 45-Day Notice. The Board requests, but does not require, that persons who make oral comments at the hearing also submit a summary of their statements. Such information shall be retained by the Board and shall be made available upon request.
